We come in earlier and stay later than those hours to take care of the boarding pets. There is absolutely no pick-ups or drop-offs before or after those hours stated. Please do not call before or after those hours listed and ask to come pick up your pet. Please do not bang on my door before or after those hours listed to come in. The answer will be NO. There are absolutely **NO EXCEPTIONS!!!!**

Boarding information: Morgan's Paws is just like a hotel. The \$25 (for boarding w/o daycare) is for the day you drop-off. It doesn't matter if you drop off in the morning or in the afternoon you are still charged that price. Check-out time is 12:00PM (Monday thru Saturday) 1:00PM (Sunday) As long as you are here by that time you will not be charged anything for that day. If your pet is here past check-out time, you will be charged an additional \$10 for using the room for that day. There are no exceptions to these rules! **We will not hold a room for your dog unless you put down a deposit for boarding.** Cancellations to boarding dates MUST be made at least 48 hours in advance of scheduled stay or you will lose your entire deposit. **All Holidays Listed: New Years, Easter, Memorial Day, 4th of July, Labor Day, Thanksgiving and Christmas** will require half your stay as a deposit. Cancellations to all Holiday boarding dates MUST be made at least a full 72 hours in advance of the day you were planning on dropping off or you will lose your entire deposit. If you show up a day or two early to pick up your dog and you didn't call, you will be charged for the entire stay. We ask that you bring your own food in for your dog to eat while staying at

Morgan's Paws. Please put the food in air tight containers and put your dogs name and your last name on the containers. Same for canned food. Sometimes we get three or four different types of food in the refrigerator and it would be helpful if names were on them before hand. You may bring any personal items for your dog while they are staying with us. (Blankets, beds, toys, bones) If your dog is prone to chewing things up, please let us know before your dog stays so we can remove the mattress that is in the room. We are not responsible for any lost items. If your dog destroys anything in the room you will be charged a fee to replace that item. Also, please let us know if we should not use plastic bowls for feeding. We also have metal & ceramic bowls that we can use instead if your dog is prone to chewing. Please, do not bring your own bowls. We have plenty here for them to use. We do administer medications. Make sure the medications are labeled with what they are and how much they get of each one every day. We cannot have dogs here that are contagious. Please check with your vet to make sure of this.

It is your responsibility to keep your pets vaccination records updated with us. We will let you know when your pets vaccinations are due. When you go to the vet be sure to get us a copy. The Bordatella (Kennel cough) Vaccination is due every year. We can do it here at Morgan's Paws for \$15. It is a nasal vaccination. Or, you can go to the vet and have it done there. If these vaccinations are not done within the month that they are due, your dog will not be allowed to come back until they are updated. Please do not give us a hard time about the vaccinations we have on file. This is what you gave us and that is what we are going by.

We do not recommend using retractable leashes. They do not allow you to have as much control of your dog as a regular leash would. **Not all dogs that come to Morgan's Paws are friendly towards other dogs and/or other people.** Do not just take it upon yourself to walk up to another dog or let your dog go up to another dog without first asking the owner.
